Caring

Our Purpose

- *Create positive relationships to become active community members.*
- *Strengthen skills and build pathways to become global citizens.*
- *Equip children to be powerful learners in a safe, supportive environment.*
- *Encourage a sense of fun and play, to nurture, educate and develop a culture of success.*

Teaching and Learning Philosophy

- *Provide a safe and supportive environment.*
- *View children as competent and capable.*
- *Value the experiences and voice of the child.*
- *Empower Learners through differentiation to meet learner's needs.*
- *Strengthen social and emotional capabilities.*
- *Have high expectations.*
- *Develop stamina for learning.*
- *Work to continually improve.*
- *Develop partnerships with families and community.*
