Mon & Wed: 8:30am—9:00am
Wednesday: 3:00pm-3:30pm

Last Day of Term 3
Friday 29th Sept - 2pm dismissal

Well done Choir Students

Wednesday 13th September, students from school participated in the Primary Schools Festival of Music at the Adelaide Entertainment Centre.

Well done Lee Adams and students on a brilliant performance with all the other schools/students in the state.

Kids and Bicycle Safety

A reminder to students and parents about Bike Safety. The school has had many phone calls about students not following road safety and putting themselves into danger.

- Talk to your children about what they are doing, alert to dangers and encourage safe riding.
- Students MUST wear a helmet.
- Watch out and give way to cars, looking both ways.
- Walk bikes/scooters across crossings.
- Be aware the footpath has a different set of risks (cars backing out of driveways, other pedestrians etc)

Take care riding your bike or scooter.

Mel Justice (Principal)

STUDENTS EXPLORE STEM CAREERS

From the 17-21st of July **Amanda Bell and Katey Elliott** participated in the inaugural National Youth Science Forum (NYSF) STEM Explorers program.

Over 80 year 7 and 8 students from 44 different schools were invited to participate in the program which included a week long camp, based at Mylor, focussed on exploring careers in science, technology, engineering and mathematics (STEM).

While on the camp students visited a range of South Australian educational institutions and organisations such as the new South Australian Health and Medical Research Institute (SAHMRI), Natural Resource Management Water Testing, South Australian Aquatic Sciences, the University of Adelaide and the Waite Institute, Flinders University and the University of South Australia.

Students got to try their hands at water quality testing, conducting bird and biodiversity audits, making slime and much, much more.

Students met and engaged with leading scientists, technologists, engineers and mathematicians and learnt about their research. They also discovered a whole range of new career opportunities.

Everyone agreed that the camp was a great experience and they would recommend students follow the NYSF so they can participate in future camps and other great science opportunities.

The Program was a collaborative initiative between the [South Australian Department of Education and Child Development \(SA DECD\)](#) and the NYSF. Visit here for more information: <https://www.facebook.com/NYSFoz/>

Congratulations to Misha Faith and Ella Percival for obtaining merit awards at the Adelaide Royal Show with their art work.

Thank you to Anne Cross (Mentor) for all your hard work with the students who do "Art Mentoring".

Well done girls.

JUMP ROPE FOR HEART Showcase Thursday 21st Sept at 9am assembly

Over the last 5 weeks at Aldinga Beach B-7 School has participating in the Heart Foundation Jump Rope for Heart program during weeks 3-8 and we would like to celebrate all of the efforts that all students to be showcased at an assembly on **Thursday week 9, 21st September at 9:00am.**

This is an event to celebrate the conclusion of the Jump Rope program and it's a great opportunity for you to witness how much fun skipping can be and our students have challenged themselves to be the best they can be.

Jump Rope for Heart is also a great way to encourage children to get involved in our community and support Australia's leading heart health charity, the Heart Foundation. The Jump Rope team provides us with lots of resources and support to implement the program and in return we ask that students help by seeking sponsorship for their involvement.

Thank you for joining us in the fight against heart disease and we look forward to getting the whole school jumping!

FUTURE ENROLMENTS FOR 2018 OR DEPARTURES IN 2017

As we start to plan our classes and enrolments for 2018 we would appreciate hearing from any families who are planning to move on and from families with children beginning school in the New Year.

Phone Tania 8556 5060 or
email dl.0222.info@schools.sa.edu.au

Mel Justice (Principal)

CLASS PLACEMENT

Staff at Aldinga will start the class placement process very shortly. Parents and carers wanting to provide further information about your child's social, health and academic needs, to be considered in the placement process can do so on the form dispatched to your child on 14-9-17.

***The form MUST be returned to
the class teacher or office
by Monday 25th September 2017.***

We acknowledge that your child's classroom teacher may already have information that you have passed on throughout the year.

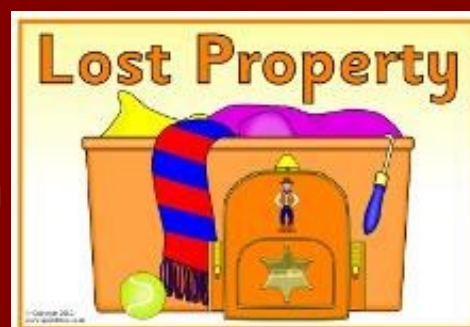

Please note: This is not an opportunity to request a particular teacher.

Mel Justice (Principal)

LOST PROPERTY GIVE AWAY

The lost property box is over flowing. All named items have been returned. Please help yourself to the school clothing on Friday 15/9.

Also check the personal lost items box. These items have been handed into student services and not claimed.

Vacation Care Program

Break 2 2017

Being Becoming Belonging
